

## RYE WATER DISTRICT FEE SCHEDULE

### CONNECTION FEE

#### Individual Residences and Businesses

Property owners of individual residences and businesses will be charged the fee based on tap size, shown in Table 1, to connect to the existing distribution system.

#### Subdivision Extensions

A system development fee for extending the water main to subdivisions has a minimum charge based on tap size in Table 1, which covers up to five (5) units/lots. Each additional unit/lot will be at a rate of \$2,500. System development fees will be billed to the owner of the property being subdivided.
